

TEX 3 and TEX 05 chipping hammers

Chipping hammers –TEX 3 andTEX 05

Smaller tools for lighter jobs

TEX 3 and TEX 05 are the ideal choice for a wide variety of lighter chipping and scaling jobs. They are particularly suitable for renovation and structural alteration work, including chipping concrete, roughening surfaces, hole making, chasing and trimming various materials.

Technical data

Model	Tool shank mm	Weight kg	Air consumption l/s	Length mm	Impact frequency blows/min	Part no.
TEX 3	● 19x50	3.7	6.9	310	4080	8461 0208 53
TEX 05P	● 19x50	5.5	9.5	380	2760	8461 0219 00
TEX 05P⊙	⊙ 14.8/17.3x60	5.5	9.5	380	2760	8461 0219 01
TEX 05P	● 17.3x60	5.5	9.5	380	2760	8461 0219 03

● = Round ● = Hexagonal ⊙ = Combined hexagonal/round

Optional equipment

	Part no.
Hose nipple with seal for 12.5 mm (1/2") hose	3310 0937 80
Hand hose 12.5 mm (1/2") x 3 m (10 ft) with claw coupling and quick-coupling	9030 2043 00

TEX 3

TEX 05

Complete kit

This sturdy steel carrying case simplifies handling, transport and storage of TEX 3 and TEX 05 chipping hammers. The case contains air oil, hose and tools.
